ZONE 5 All settlements not mentioned in the table on the territory of the Republic of Bulgaria fall into Zone 5. The settlements from Zone 5 are visited by a courier within 3 (three) working days of accepting a shipment for transportation. Only shipments with the Standard Express service can be sent to the settlements in Zone 5.

*The settlement is serviced on the days mentioned for it in the "Schedule for the settlement service" only if they are working days.

**The Standard Savings service is not available for shipments addressed to the same settlement and for shipments sent from settlements falling in Zone 4 and Zone 5.

The zones and service schedules of settlements can be changed by IN TIME OOD, and the current information can be found at www.intime.bg and all offices of IN TIME OOD.
